

PLSC is looking for volunteers to help with two outreach events. If you are interested, please email Becky at broland@plsc.net.

LEGISLATIVE BREAKFAST

When: April 24, 7AM-9AM

Where: 2nd floor of the State Capitol in front of the Old Supreme Court Chamber

About the Event: This is an opportunity to share breakfast with our State Legislators and promote the value our profession provides to Colorado and its residents. PLSC will provide breakfast burritos and coffee.

SCOUT SHOW 2018

When: April 28, 10AM-4PM

Where: National Western Complex

About the Event: PLSC will have a booth including equipment and our augmented virtual reality sandbox. We will invite scouts, their leaders and other attendees to learn more about land surveying, and also offer to schedule merit badge events with troops around the state. This is a great time to share our great profession and recruit for our next generation of land surveyors!
